

Portrait Photography

My standard portrait session fee is \$280 and includes:

- A one hour photographic session at your preferred location
- My travel time, photographic skill and experience
- \$150 credit toward the purchase of your portrait prints, art canvas, albums and DVDs.

Every additional hour of photography is charged at the rate of \$120 per hour. Additional travel time to portrait locations (if outside a 20km radius of the Melbourne CBD) is charged at \$20 per 10kms.

Purchasing your Images

Portrait prints, wall canvas, albums and DVDs can be purchased separately, or included in one of our many portrait packages. A package offers you better value than purchasing items separately.

Descriptions and prices for individual items are provided below. Please compare these with our package prices further down. Choosing a package will give you a unique combination of ways to view and present your photographs, for the greatest value.

Portrait Prints and Wall Canvas:

All portraits are printed by a professional lab using archival quality media to ensure longevity.

Your chosen images can be delivered as traditional prints on photographic paper in various sizes (framed and unframed), or as fine art stretched canvas prints ready to be displayed and perfect for wall hanging, gallery style. Prints can be framed in rich timbers custom made for each individual photograph.

	Unframed Prints	Framed Prints	Art Canvas
Small (12" or 30cm)	\$295	\$345	\$365
Medium (18" or 45cm)	\$395	\$460	\$490
Large (24" or 60cm)	\$525	\$615	\$645
Super (30" or 75cm)	\$675	\$785	\$815
Monster (40" or 101cm)	\$845	\$995	\$999

N.B. Print sizes refer to the longest edge. Depending on the orientation of your image, this may be the height or width.

Portrait Albums:

Preserve your portrait images in our beautiful, handcrafted albums available in two sizes. Your portrait album will present your 10 favourite images, as selected by you at your viewing session, for optimal visual impact and flow.

Portrait album (8" or 20cm)	\$1,100

DVD and Low Resolution Photographs:

DVDs contain a slideshow of all of the portrait images presented at your viewing session, perfect for viewing on your TV screen. They also contain your images in low resolution format suitable for web usage (e.g. as screen savers). Your DVD will be presented to you in a stylish black archive case for protection. Please note that photographs cannot be printed from these products.

DVD slide show of photographs (for viewing on TV)	\$480
